- **Visit the Resource Center** for this week's feature, Teach Them Diligently. Most of today's Christian parenting resources fail to emphasize the most important aspect of biblical parenting - how to practically relate the bible to the disciplinary process. With all of your training, do you really know how to use the Bible for doctrine, reproof, correction, and instruction in righteousness with your children? This book will strengthen your skills as you learn to use Scripture thoroughly and effectively in your child training.
- **Baby changing stations** are now available in the men's & ladies' restrooms.
