A High View of the Church

1. What does it mean to have a high view of the church (hint: consider what it means to have a low view of the church)? Why is this important?
2. John is a professing who loves Jesus, but has had some negative experiences with the church. He reads the Bible daily, listens to sermons, and is even part of a men's Bible Study. Yet, he is resistant to attending church. Is this okay? Why or why not? How would you encourage him start attending church?
3. What happens to a Christian who stops attending church?
4. What is your plan for returning to church?
5. What excites you the most about returning to church?
